## MOBILE DOLLIES

### Move your product with ease!

Our mobile dollies make moving hot kettles to the next processing location easy and safe. Two sizes to fit your different diameter kettles.

And with the optional drip pan, the larger unit can hold the **Portable Agitator** while conveniently collecting the drippings off the scrapers.

Kettle Thermometer shown is no longer available from Savage Bros. See brochure on our Wall Mounted Digital Temperature Unit.

- All steel construction with powder paint finish for strength and durability
- Casters for mobility – 2 casters lock for safety
- 18 inch ring dolly for 20" and smaller diameter kettles
- 23 inch ring dolly for 24 inch diameter kettles
- 23 inch ring dolly with drip pan holds Portable Agitator and collects drippings from scrapers
